Do You Remember . . .

. . . the three main divisions of administration at Redmond Union High School — the students represented by the student council, the taxpayers represented by the school board, and the faculty represented by the superintendent?

Administration

M. E. Larive

Clayton E. Norton

SUPERINTENDENTS

M. E. Larive resigned as superintendent of Redmond Union High School March 13 after serving as administrator of this school since the summer of 1944. He held a B.S. Degree from Black Hills College and an M.S. from the University of Oregon. He had served as administrator at Muddy Creek and Echo in Oregon and in schools in Nebraska, South Dakota, and New Mexico.

Clayton E. Norton, assistant principal, took over as acting superintendent of this school upon Mr. Larive's resignation. Mr. Norton came here as a teacher in September of 1946 from the U.S. Army and was appointed assistant principal in January of 1947, in which position he served until this spring. Mr. Norton has a B.S. from Black Hills College and a fifth year of graduate study at the University of Oregon.

BOARD OF EDUCATION

The five men pictured below represent the eleven districts that go together to make up Redmond Union High School, school district No. U-1-J. This judicial and legislative body sees to it that our school is run according to the constitution, the school code, and the county and state laws, thus insuring high standards of educational facilities. Each serves on the board for five years without remuneration.

Counseling System Inaugurated

Choosing a teacher to be your personal counselor is part of registering as a student at Redmond Union High School. The teachers help students to plan their four-year program and provide a comforting shoulder and helpful discussion for problems that run the gauntlet through troubles with the opposite sex, answering Uncle Sam's "greetings," getting on or off certain "lists," choosing a career, and improving family relationships.

Faculty

Giving the big Christmas party for the whole student body was the biggest social undertaking of the year for the RUHS faculty. In January they entertained all the Central Oregon teachers at a banquet. This group is affiliated with the Oregon State Teachers Association, the National Education Association, and the Classroom Teachers.

Student Body

Sponsoring the big kick-off party in the fall to get everyone acquainted was the first major project of the student council. They completely rewrote the student body constitution.

In February they attended the district conference of councils in Prineville. Before making decisions of policy concerning student affairs, they have made surveys of practices in other high schools of comparable size.

They published the seventh edition of "And The Bud Blossoms", the class' annual book of original stories and poems. John Denning, George Johnston, and Doris Raske received national recognition for their work.

Panther Scratches and The Juniper

Paper Editor Gordon Rice and
Annual Editor Doris McDaniel

Journalism is taught as a regular one-year credit course as an elective of the English department. Projects of the lab work in this course include editing the nine monthly issues of Panther Scratches, student newspaper, and this yearbook, the 1952 Juniper. Assignments were made by the faculty-appointed editors and members of the class gathered the news and wrote it. Publications received high ratings from the Oregon Scholastic Press, National Scholastic Press Association, and Columbia Scholastic Press Association. Representatives attended a state two-day scholastic press meet at Eugene in the fall. Field trips included inspection of The Redmond Spokesman printing shop where paper and annual were published.

The Mixed Chorus is a newly organized class of this year. Under the direction of Miss Virginia Berg, they made several public appearances.

They held a winter concert in December, and also a spring concert in May. In March, the Mixed Chorus went to Prineville for the District Music Festival. This is a regular credited course and replaces the former separate girls' and boys' glee clubs. Accompanists were Shirley Johnston and Carol Scott.

Pictured at left are the officers of the mixed chorus: President George Johnston, Vice President Joan Slavens, Secretary Dolly Lind, Librarian Shirley Glodt, Faculty Adviser Miss Virginia Berg.

This charming trio has sung over KBND Sunday afternoons on the speech class broadcast, at the Christmas and Spring concerts, for a meeting of the Dairymen's Association, on the Kiwanis talent show, for the Rebekah lodge at the Townsend Hall, and in the district music festival.

Joan Slavens, Darlene Clemence, and Susan Swift are pictured above as one of the trios. These beautiful songsters have been featured on the radio programs, at teachers' meetings, at a Central Oregon Dairymen's meeting, for the Kiwanis, for the American Legion, at a Terrebonne school program, at the barn dance, for the Armchair Athletes, at the FFA and football banquets, and in the Christmas and Spring concerts and Kiwanis talent show.

RUHS Band

This year's 50-piece band added zest to all home athletic games by playing pep songs. Their outfits became snappier this year with the addition of new white wool gabardine trousers. They gave two evening concerts: one in winter and one in the spring.

They accompanied the football team to Ashland in the fall. They participated in the Central Oregon Music Festival in Prineville in March where they played in the mass band under the direction of Clarence Sawhill of the University of Southern California. They planned an exchange concert with Forest Grove High School in the spring.

Pictured at the upper right are the officers of the band. In the back row are Duane Eakin, sergeant-at-arms, and Mr. Frank de Lespinasse, director. In the front row are Bob Coyner, president; Bob Clark, vice president; Clarissa Berning, secretary; and Lola Eby, librarian.

Girls must be upper classmen, and have a grade average of at least a 3 to become members of the Pep Club. Other requirements are that they must have held an office in some organization, served on several committees, earned a letter in a school activity, and proved their leadership in school affairs.

One year of home economics enables any girl to become a member of the Future Homemakers of America. A party was held in the fall for new members and then they were taken into the club at a formal initiation.

Food sales and a concession stand at each of the football games were major projects of the club. The girls had a food booth at the school carnival. FFA, football, and OEA District banquets were served by the girls during the year.

The highlight of the year was the Mother-Daughter Tea, which was held in May. At the Tea a style show was given by the girls and officers for the coming year were installed.

Phyllis Rennels, Redmond Chapter secretary, was chosen as the state vice president. At the State executive committee meeting, Phyllis was named as one of the representatives from Oregon to go to the National FHA convention in July at Green Bay, Wisconsin.

FBLA stands for the Future Business Leaders of America. This organization is composed of commercial students. It was formed to develop competent, aggressive business leadership; to create more interest and understanding in the choice of business occupations; to participate in worthy undertakings for the improvement of business and the community; and to develop character, to train for useful citizenship and to foster patriotism. It serves as a stepping stone to a place in the business world.

Eighteen new members were taken into the club at a formal initiation in November. This year the FBLA sponsored the telegraph booth at the school carnival. A main project of the club was printing basketball and football programs which were given away at the games. The first issue of the state FBLA bulletin was put out by the Redmond Chapter. Delores Pestka Burton from this chapter was the state vice president.

Future Teachers Of America

Redmond chapter of the Future Teachers of America is a newly organized club of this year.

The purpose of organizing the club is to learn about the opportunities in teaching in a good teacher, to study the sential in a good teacher, to study the lives of great teachers and to foster the development of student leadership.

The FTA is affiliated with the Oregon Education Assocation and membership is open to any person in the sophomore, junior, or senior classes.

President Phyllis Rennels, Vice President June Gilbert, Secretary Maxine Elliott, Treasurer Doris Raske, Publicity Chairman Marilyn Baker, Faculty Adviser Miss Naida Fuqua.

Redmond's Keyette Club, which was first organized in January of 1951, celebrated its first anniversary in February this year in the form of a birthday dance.

This group is a service organization sponsored by the local Kiwanis. Character, the will to work, and a healthy outlook on school life are the bases on which members are selected. The girls wrote and visited Marie Hoffman when she was ill and remembered her on special occasions.

One of the major projects has been the keeping of the bulletin board in the lower hall. Keyettes helped with the drive for funds for research on heart diseases.

The Key Club is an international organization which was organized with the purpose of teaching boys the qualities needed in good citizens. They are taught to live and work together as well as to serve the community and the country.

The Key Club is modeled after the Kiwanis International and this very worthy club has had much to do with the success of the Key Club. Rudy Park acts as Kiwanis adviser to the Key Club and Derrell Sharp is the Club's adviser. Both men are active in the Kiwanis organization.

Achievements of the past year include a holly sale which netted money to buy equipment for the new hospital. The boys were met with warm enthusiasm by townspeople who had heard of the good work the club is doing.

Ten new members were initiated into the Library Club on February 13, 1952, at a candlelight initiation.

The purpose of the Library Club is to receive instructions in Library Science. This is not a formal class, but they organize for the purpose of utilizing the facilities of the school library.

Students become members of the club automatically if they work in the library. They must have taken typing, and must be an upper class man.

Projector Club

The Projector Club originated in 1949 and has been carried on since then under the advisorship of Mrs. Maude Lee. This club is a service organization and its membership is limited to twelve students.

To become a member of the Projector Club, a person must be asked by a student already belonging, and they must own a camera.

Members are on calls at all times for any organization wishing to see films.

Last year at the school carnival, the Projector Club sponsored the photography booth and the moving pictures.

Chlorination of water was the group project of the three-year old Scio Club. They met every two weeks, under the supervision of Howard Browning.

Waldon Simmons worked on strains of wheat, and Marvin Forester made a study of periodic charts. These were special projects for the students.

In order to become a member of the Scio Club, a student must be taking a second-year course in science or have completed two years of science. The purpose of this organization is to provide opportunity for the students who wish to work in the lab and become better acquainted with the scientific world.

Pictured at the right are the pep squad and rally team combined that led Redmond's cheering section during the football season. Maroon and white sweaters worn with white culottes made them a snappy and colorful rooting squad. Girls standing from left to right are Phyllis Brace, Toby Gilbert, Sharon Moran, Phyllis Rennels, Grace McClaran, Margaret Satterlee, and Joyce Carr. Kneeling in front are Dolly Lind, Shirley Jones, and Barbara Bartlemay.

These three boys formed the third successive trio of boy yell leaders. They varied their costume throughout sports of the second semester with both maroon and gold sweaters and cream cords and levis. The yell kings are Dale Lawrence, Don Harwell, and Melvin Bouchard.

Sharon Ruth, Bonnie Larsen, and Betty Gohrke, here nattily garbed in gold sweaters and gold culottes, led the songs at basketball games. They won a closely contested election in November and have been outstanding in pep leadership this second semester. They planned a series of pep assemblies that were among the highlights of the school year.

Pep Squads

Second semester, RUHS had its third successive trio of boys on the Pep Squad. The boys had two outfits, maroon and gold sweaters and cream "cords" and levis.

The Rally squad second semester wore maroon and gold sweaters and gold culottes.

First semester saw its Pep Squad and Rally Team combined. The girls wore maroon and white sweaters and white culottes.

The Girls' Athletic Association climaxed the year with a Sports Cavalcade in April illustrating all the phases of their activities. Their Petal Parade in March, a girl-date-boy affair, was one of the most colorful formal dances of the year. The club had a skating party in the fall.

A series of play days with other Central Oregon schools included a basketball meet at Prineville in January, being host to 8th graders and freshmen from Bend, Madras, and Prineville for basketball games in February, and going to Madras to win 6 games of volleyball in March.

Girls gain membership in the GAA through a point system in which points are earned by participation in sports outside regular PE classes. The four playnights were well attended. The GAA directs all extra-curricular sports for girls.

One of the major products of the group was to introduce new students to RUHS. Different members showed transferring students to classes. The girls worked with the Keyettes in the drive for funds for study of heart diseases. They gave a formal, the Dreamland Ball, and sold Easter seals.

Any student who is interested in skiing is eligible to join the Ski Club.

Lettermen's Club

The Lettermen's Club is an organization for boys who earn a letter by participating in some major sport. Not all boys who earn letters are members of this club, however, because they have to be initiated in a private ceremony.

The penny throw and the slot machine were both sponsored by the Lettermen at the school carnival.

These boys act as sergeant-at-arms for assemblies, programs, and pep rallies. They also usher at all home games during basketball season. This year they had the council evaluate the award system in an effort to make earning a letter a high honor.

Members of this club wear a gold pin with a maroon "R" inscribed upon it.

Football Season

At Redmond 26, Columbia Prep 7.

The Panthers broke loose for three touchdowns in the last quarter to break a 7-7 tie and win the season's opener. Prep scored on the first play on a 90-yard kick-off return. Verden Fultz scored two of the Redmond touchdowns.

At Ashland 12, Redmond 6.

Ashland scored a third quarter touchdown to break a 6-6 deadlock and hand the Panthers their first defeat. The break that may have cost Redmond the game occurred on the first play when a Grizzly end grabbed a Panther fumble in mid-air and raced 29 yards for a touchdown.

At Redmond 6, Burns 6.

The two teams fought to a 6-6 draw as neither offense would work consistently. Doug Zitek scored Redmond's TD on a pass from Dale Schult in the second quarter. The Bulldogs scored in the fourth quarter on a 45-yard run by Frank Dunn.

At Redmond 6, Camas 6.

An underdog Panther eleven battled the highscoring Washington club to a standstill at the fairgrounds. Camas scored in the second period, with Eugene Jackson going over. The tying score came late in the same quarter when Marvin Smith recovered a fumble on the Camas 1-yard line. Dale Schult scored on the next play.

At Redmond 31, Lakeview 6.

The Panthers cut loose their passing attack to trample the winless Honkers for Redmond's first league win. Verden Fultz and Dale Schult each threw two touchdown passes as Dunsmoor's crew led from the opening whistle.

At Sweet Home 13, Redmond 2.

Redmond, not used to playing in the thick layer of mud that covered the field, fell before the Huskies as Gene Owens connected for two touchdown passes. The Panthers picked up two points when a bad pass from the Sweet Home center went into the end zone for a safety.

At Madras 12, Redmond 25.

The Panthers displayed a well-balanced attack that gave them a 19-6 halftime lead and coasted in. A feature of the game was the fine running of halfback George Johnston.

At Bend 20, Redmond 20.

Redmond broke a 31-game losing streak at the hands of the Lava Bears as only a desperation touchdown drive saved the Bruins from defeat. Bend took a 13-0 lead in the first quarter, but the Panthers roared back with two touchdowns of their own to tie the count at halftime. Redmond took the lead early in the third quarter and held it until late in the same period when the Bruins made their drive.

At Prineville 26, Redmond 0.

Redmond held the district 8A-2 champs to a 7-0 halftime lead but could not hold on as the Cowboys scored two touchdowns in the third period and added another in the last stanza.

Panthers Place Second in District Finals

Redmond Panthers lost the right to represent District 3 in the state basketball tournament in March when they dropped a thriller to Bend in the last round of tournament play, in Prineville. The tournament was a double elimination meet and the final 46-45 win of Bend over Redmond made the Lava Bears winners. This final game was a thriller: Redmond led all the way into the final quarter when Bend staged a rally. With only seconds to go the Panthers still led but had lost three regulars and were grimly hanging on despite the foul after foul that was called on them in the closing seconds. It was on the balance of three Bend foul shots that Bend won 46-45. It was one of the best games ever played on a Central Oregon floor, and it will be remembered for years to come.

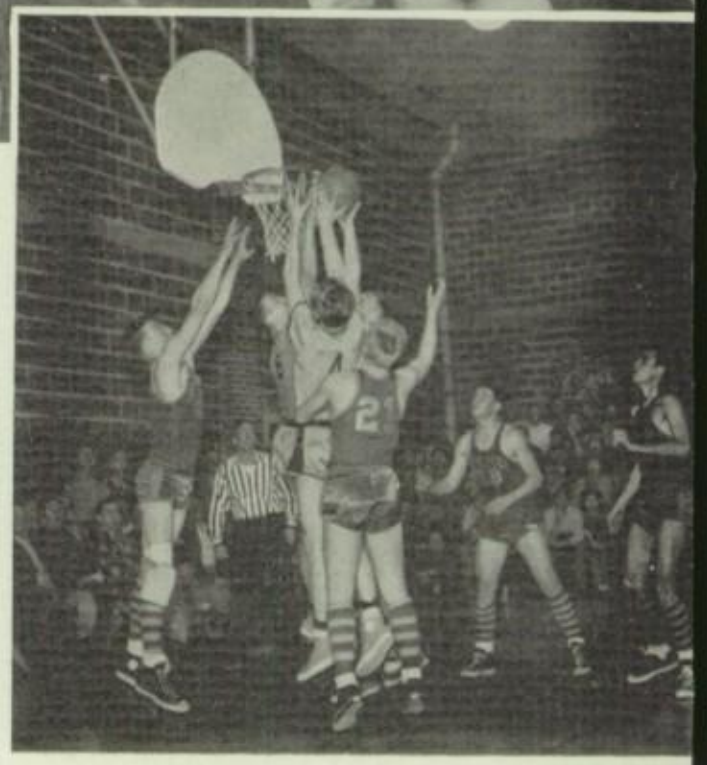
Game Summaries

Redmond dropped the **Hermiston** Bulldogs twice in a double header held in Redmond. The scores were 56-41 and 55-39. Redmond exploded in the fourth quarter both nights with a terrific scoring barrage.



Albany and Sweet Home had easy pickings when they met the Panther crew in a week end trip to these two towns. The Cats held steady for the first half against Albany and held a 22-22 tie at the half. Then they faded. It was worse the following night when the Panthers folded before the Sweet Home Huskies.

Redmond beat **Prineville** in one of the best games turned in this season. The Panthers made 17 out of 19 foul shots and took the game 65-48.

Cleveland of Portland almost took the rap from a snappy Cat crew but came through to win 59-49. Incidently, Cleveland turned up tied for top honors in the high class Portland league.

Grant, also of Portland, supplied the Panthers with the major upset of the year when they dropped before a high-flying Cat 43-33.

Redmond dropped **Madras** four out of four games.

Prineville pulled an upset out of the bag when they outscored the Panthers when it looked like another Panther win. The score: 39-48.

Redmond evened the score with **Sweet Home** by defeating the Huskies 52-46.

Redmond lost once to **Lakeview** by a single point. Again **Bend** was the victor by a solitary point in a close league game.

Then there was the all-important last tourney game that **Bend** won by one point.

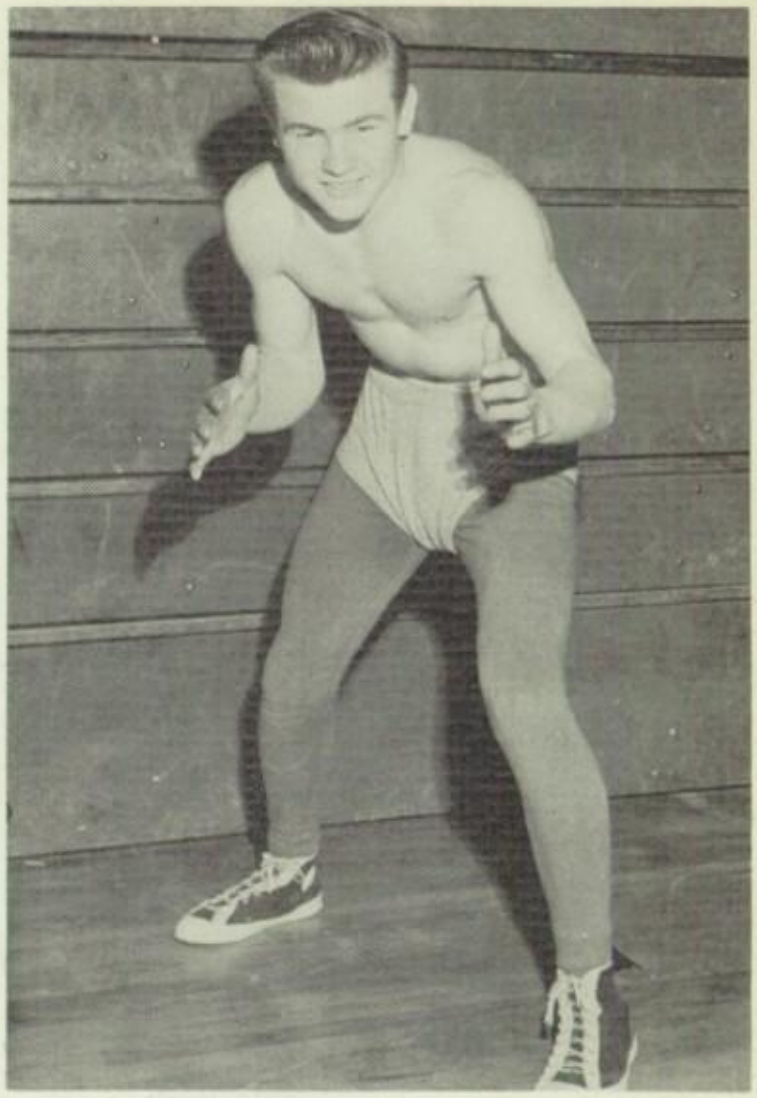
Wrestlers Tie Season With 3 Wins, 3 Losses

The Redmond grunt-and-groan men finished a successful wrestling season this year by sending one man to the state meet, winning 3 matches and losing 3 matches, and placing four men in the District meet.

In regular season play they split with Burns winning 19 to 17 and losing 17 to 14. The grapplers took 2 from Prineville 16 to 3 and 13 to 11.

The only team Redmond did not at least beat once was Bend who defeated them 28 to 5 and 21 to 13.

Wrestlers who placed in the District meet were Louis Rice, third in the heavy-weight diivsion; Glen Clothier, fourth in the 119-pound class; and Pete Moor, fourth in the 136-pound class.



Dick Hoefs, in his second year of wrestling, came back to Redmond from the state wrestling meet the sixth best wrestler in his weight division. He won his first match by a pin, but was eliminated in his second match by a decision.

Boys' Intramural Sports

Intramural sports for boys includes competition in volleyball, basketball, and track, and is so set up by Harry A. Gobelman, physical education instructor, that any boy may participate if he so desires. Every boy, whether he's enrolled in PE or not, may play on a class team. Teams are thus selected on a voluntary basis.

In this year's volleyball tournament ten teams participated which included approximately eighty boys. Freshman and one-half of the sophomore teams were in Group I, and the other half of the sophomore teams and the combined junior-senior teams were in Group II. Winner of each group played for the championship, which went to a team of juniors and seniors. This winning team defeated the faculty two games to one December 11. The champs won the first game 15 to 13, dropped the second 15 to 7, and then took the deciding game 15 to 6. Boys playing for the champs included Bill Martin, Bill Schoen, Wendell Scott, Craig Eby, Marvin Smith, Jerry Christopher, and Everett Smyth.

Twenty teams tried for honors in the intramural basketball competition. Each team had four players with three on the floor for action. Anyone interested could participate and eighty boys played. These teams were divided into three groups: freshmen, sophomores, and juniors-seniors. The upperclassmen placed first; the sophomores, second; and the freshmen, third. The faculty challenged the intramural hoop champions, and the teachers scored a close 39-35 decision February 28. Playing for the intramural champs in this game were Bill Schoen, Craig Eby, Everett Smyth, Warren Webb, Bill Martin, Bob Coyner, Chuck Stauffacher, and Dave Amsberry.

Each of the four classes participates in an intramural track meet held in May. In 1951 senior trackmen took seven firsts, including five of the six field events, as they went on to win by a margin of 52½ to 31 over the second-place juniors. The sophomores ran up 21½ points and the freshmen, 11. Jack Reid of the juniors took individual honors with 21 points.
